

## Best Friends Fur Ever Socialization, Online Reservations & More!

### What Does Socialization Really Mean?

We have all heard the term “socializing your dog”. But what exactly does that mean? Socializing your dog is when you introduce different environments, animals, people, and events to your puppy with the expectation he will enjoy and have positive interactions with his surroundings. Socialized dogs are typically more approachable, fun-loving, and able to handle stress. Dogs that have not been socialized tend to be anxious, shy, or at times even overly excited because they are simply scared.

### Online Reservations For Daycare Are Back

Effective Friday, August 20, 2021, we are turning on the client portal ability for clients to make reservations for Daycare dates only.

This will not include New Kid assessments or Boarding at this time. For these services please call the reservations team Monday - Friday from 7 am - 6 pm and Saturday from 8 am - 4 pm.

**Note:** You are open to making the reservations you want. However, if you have a "no show" without canceling, we will call you to find out why as a courtesy. If you have a second "no show" without canceling, we will be going ahead and canceling your future days of daycare to ensure other clients are not locked

out.

## COVID Update

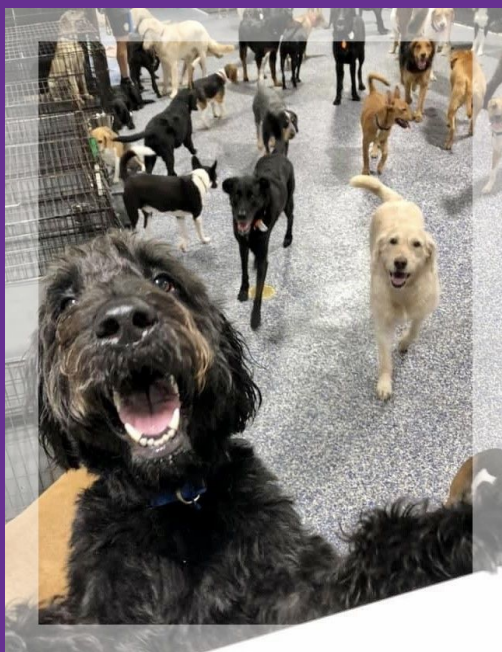

Across the country, the COVID-19 pandemic has had devastating effects. We appreciate how much you have already done to adapt during this challenging time. As you know, we have been taking preventive measures at Best Friends Fur Ever against COVID-19 for the past 18 months to help keep you, our entire staff, your families, and our customers safe.

Effective Monday, August 9<sup>th</sup>, we reinstated the employee MASK policy. During all drop-off/pick-up AND client interactions in the Best Friends Fur Ever Lobby and Training Areas open to clients, MASKS are to be worn by all team members.

Effective, Friday, September 10<sup>th</sup>, every Best Friends Fur Ever Team Member must be vaccinated, or undergo a weekly COVID-19 test. This is for the health and safety of our team members, their families (*especially children under the age of 12*) as well as our customers.

We just wanted to keep our customers informed about our ongoing policy compliance to this vital health concern.

## We are HIRING!

As we say goodbye for now to our High School and College students and wish them good luck this academic year, we wanted everyone to know that we are actively hiring full-time and part-time team members. If you have a love of dogs, enjoy a fast-paced, team environment, and are customer service-oriented, please visit our website and apply online for all career opportunities.
