

# Best Friends Fur Ever Our New Memorial Page + Virtual Tours

## To everyone that has lost a loved dog...

We love your dog for a lifetime...and even  
after their life on earth.

That is why we created a page on our website for you to post a memorial in loving memory of your dog. Feel free to share your dog's memorial page with family and friends and ask that they post a tribute and photos. Expressing and sharing the love for your dog after their passing is known to help with the grieving process. All of us at Best Friends Fur Ever hope this will help you find comfort during these difficult times.
