*T'was the night before Christmas and all through the yard,
Not a doggy was stirring after a day of playing so hard.*

*Best Friends Fur Ever is where all the good pups exist,
But we still give love to those that made the naughty list.*

*All the dogs were snuggled all cozy in bed,
While the vision of bear bites danced in their head.*

*They dreamt about daycare and all of their friends,
Oh how they hoped the fun never would never end.*

*Every pup was asleep, not an open eye in sight,
Merry Christmas to all, and to all a good night.*
