

Best Friends Fur Ever Join us at the World of Pets Expo

Are you an animal lover like we are?

If yes, then The World of Pets Expo is the place for you to be! From January 28 - 30, The World of Pets Expo will be live at the Maryland State Fairgrounds in Timonium.

There will be tons of exciting events throughout the show, including dock diving, a cat show, a petting zoo, contests, and more. Boredom does not exist at a show like this! Best Friends Fur Ever will have our own booth at numbers 103 and 104. We invite you to come hang out with us, browse our items for sale, and watch our live enrichment demo!

Best Friends Fur Ever will have tons of awesome items for you to purchase!

Among the many things being sold are BFFE apparel, dog toys, and enrichment activities. All items being sold are used daily by staff members and their dogs, and are 100% puppy approved! One of the most exciting parts of our booth will be the "spin the wheel" contest, where you can win prizes like coupons for daycare, boarding, and more. Our staff members will be more than happy to chat with you and get to know you, and we hope to meet your furbaby too!

Aside from our booth set up, members of the training team will be putting on a live demo for the different enrichment activities we use. We will be showing different puzzles, snuff mats, lick mats, DIY games, and tricks. We're so excited to showcase how smart our furry friends are, and we

hope our demo encourages you to incorporate enrichment into your pup's life! All the activities and puzzles we demonstrate for you will be available for purchase at our booth. We cannot wait to "wow" you and we hope to have the honor of caring for your furbabies at BFFE!
