

Best Friends Fur Ever

New Flooring, Winter Blues & President's Day!

Exciting Things Are Happening in Joppa!

Our Joppa location will have new flooring installed from Thursday, March 10th - Tuesday, March 15th.

Due to the construction, there will be temporary changes that we wanted to inform you of in advance so you know what to expect. *These changes will start on March 10th and end on March 15th.*

- Pick up and drop off will occur through the side shed entrance (*similar to the previous COVID protocol*).
- Grooming and bathing clients will need to use the Cockeysville location for those services.
- Our geriatric section will be moved to the back separated internal fenced section of the resort with direct assisted canine supervision where they will enjoy free-roaming, safety, and the fur-friendly faces they know.
- We will be rerouting calls at our front desk. Please be patient with us as we adjust.

Thank you for your patience and understanding. These temporary changes will allow us to balance the needs of our furry clients during this construction with minimal impact on our 4-legged guest experience.

Is your fur-baby experiencing the "Winter Blues"?

Ever just want to go out, have fun, and catch up with friends? Your dog is no different!

Our fur friend's social needs are just as important as our own. Just like you enjoy catching up with old friends, don't forget the relationships your dog has built with their fur friends. The tail-wagging fun, exercise, and balanced play model all help to meet the enrichment needs of your fur child.

Do you feel like a million bucks after getting your nails done? Guess what? So can your fur baby!

Best Friends Fur Ever also offers resort spa treatments with grooming options. The sheer prancing and display of pride and joy after having their nails painted will absolutely melt your heart. <3

Nothin' but love!

Pretty paws!

Hangin' with the crew!

Have overnight plans this President's Day weekend?

Don't forget to make reservations for a resort getaway for your pup too! We would love to spoil your fur baby while you're away!

Our safe and secure pet resorts provide comfortable accommodations with 24-hour staff on site for pups of all ages and with varying needs.
