Send us your favorite picture of your pup!

**We're giving our VIPs a special gift
at the end of this year!**

***We're so thankful for each of you, and we want to show you
how much we care about you and your furbabies.***

Email me directly at cmcdonell@bestfriendsforever.com with your favorite picture of your dog(s)! Please select a picture similar to the one above, with their adorable face and body facing the camera. If you don't send me a picture by November 20th, I'll select a picture from your dog's account with us!

We love your dog for a lifetime!
