

## ACCOMMODATIONS

### Preparing Food

Our overnight guests receive nutritious tasty meals of high-quality chicken and rice-based diets from Beaver Dam and Verus pet foods. Beaver Dam and Verus dog foods are chicken and pork-based diets with no by-products, corn, wheat or gluten, artificial colors, or flavors.

We can accommodate dogs with special dietary needs. You are welcome to bring your own food from home. We feed twice a day, but a third lunchtime feeding can be added upon request at no additional charge. Food is stored in individual air-tight locking bins.

### Safe and Secure

Our facilities are climate-controlled at 72° F year-round. We have backup generators so that our guests' comfort and routine are never impacted by weather. Our 24-hour on-site staff are always available for any dogs with special needs during their sleepover. Our overnight manager keeps a watchful eye on all our guests.

### Sleeping Accommodations

All dogs are provided with a thick, cozy blanket to ensure a wonderful night's sleep.

### Special Needs, Geriatric, and Puppies

Our facilities offer special overnight boarding for dogs with special needs, geriatric dogs, and puppies. Please see our staff for options and rates.

## Additional Options to Customize Your Pups Stay

### Pampered Treats

- Sweet Potato Chews
- Gourmet Treats (menu changes)
- Frozen Treats & More

### Additional Activities

- Snuffle Mats
- Lick Mats
- Puzzle Games & More

## DOG DAYCARE

Like humans, dogs are social beings and benefit from positive interactions with other dogs, people, and routines. Dogs learn social skills as well as receive exercise and enjoyment throughout the day. The stimulation your dog receives at Daycare allows for a more positive home life!

## PLAY GROUPS

Our Group Daycare focuses on playgroups in a resort-like atmosphere under the watchful eyes of trained, caring professionals. The dogs are carefully grouped together to optimize socialization, play, safety, and exercise. Multiple Daycare groups allow a stress-free environment where dogs of all sizes can free run and play several hours a day!

### Enrichment Activities

Enrichment activities are designed to build your dog's confidence by utilizing their keen sense of smell to stimulate their brain and having them face challenges, solve puzzles, and bring out their true personality through fun, interactive games. Enrichment activities are an add-on service or offered through our All Dogs Welcome program, a program that can confidently provide socialization assessment options for almost all dogs.

### Indoor and Outdoor Play Options

Our Dog Daycare hosts a resort like atmosphere featuring our indoor and outdoor playgrounds, with secure fenced areas that are cleaned daily. Both of our facilities have many outdoor play areas for Daycare dogs to play year-round. During inclement weather, we move playtime indoors to our 10,000 square foot temperature-controlled play areas.

### Trained Handlers

Our trained handlers are with the dogs while in-group at all times. During down time (overnight, nap, lunchtime, etc.), dogs rest in their individual crates or runs.

## WEB CAMS

Our webcam host provider, *IDog*, streams live play time from our facilities right to your web browser during your pups stay. You can access our camera system directly from your personal device or computer via your customer portal. We broadcast play time every day from 8 am to 5 pm.
