## ASSISTED CANINE CARE<sup>SM</sup>

Best Friends Fur Ever specializes in the care of special needs guests that include geriatrics, post-surgical, visually or physically impaired dogs. Our *Assisted Canine Care*<sup>SM</sup> ward is located in the general office area of our facilities. This ensures that these guests have constant care and supervision from several members of our staff.

## CARE AND AMENITIES

**The *Assisted Canine Care*<sup>SM</sup> 24-hour care special services and amenities include, but are not limited to:**

- Individual bathroom and exercise sessions, feeding, medicine administration, massages, pain management and limited physical therapy.
- Guest bedding consists of soft quilts and are constantly replenished. Guests are not crated and rest with other dogs in this over-sized ward.
- Monitored for health and wellness, behavior, eating, sleeping and bathroom routines. Any observations or concerns are communicated to the parents immediately through calls or emails.
- Transported immediately to their veterinarian or emergency vet in off-hours in the event of any medical issues upon notification of their parents.
- *Assisted Canine Care*<sup>SM</sup> is available at both our Joppa and Cockeysville locations. Please call us for information and pricing.
